

ROHIT KUMAR VERMA

Full Stack Developer | MERN Stack Developer | React.js | TypeScript | Node.js
+91 7979718309 | rebelindia01@gmail.com | Dhanbad, Jharkhand, India | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Results-driven MERN Stack Developer with 1.4+ years of experience building scalable, high-performance web applications. Skilled in React.js, TypeScript, Node.js, and modern state management tools, with a strong focus on delivering end-to-end, production-grade solutions. Experienced in integrating third-party platforms (Meta, Zomato, WhatsApp, Google) and optimizing applications using AWS services like S3 and CloudFront. Proficient in leveraging AI-powered tools and workflows to enhance development efficiency, automate processes, and build smarter, data-driven features aligned with business objectives.

WORK EXPERIENCE

Software Engineer

Dec 2024 – Mar 2026

Petpooja — Restaurant POS & Management System | Ahmedabad, Gujarat

- Designed and optimized the Website Landing Page, ensuring a seamless, SEO-friendly user experience and improved engagement metrics and modern web performance techniques.
- Built and integrated marketing automation features enabling restaurant businesses to create and manage advertising campaigns across Meta, Zomato, JioHotstar and digital display platforms — reducing manual effort significantly.
- Developed and maintained the Franchisee Management module in Next.js, streamlining multi-outlet workflow automation and enhancing operational efficiency for restaurant chains.
- Integrated secure JWT-based authentication and optimized API data handling using React Query and Redux Toolkit, improving application performance, scalability, and developer experience.

PROJECTS

FundMitra — Crowdfunding Platform

2024

Tech: Node.js, Express.js, MongoDB, React.js | [Live](#) | [GitHub](#)

- Led a team of 4 to design and build a full-stack crowdfunding platform with focus on user experience and reliability.
- Developed RESTful backend APIs for user registration, campaign creation, and donation workflows using Node.js and Express.js.
- Optimized MongoDB queries for faster data retrieval and improved dashboard load times.
- Integrated a secure payment gateway enabling reliable and safe transactions for backers and campaign creators.

Beehome — Real Estate & Accommodation Platform

2024

Tech: React.js, JavaScript, Chakra UI, Tailwind CSS, REST APIs | [Live](#) | [GitHub](#)

- Built a responsive real estate platform with advanced property search, filtering, and dynamic listing features.
- Implemented secure user authentication with data protection best practices.
- Enhanced UI performance through lazy loading, dynamic data rendering, and component-level optimizations.

TECHNICAL SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript, HTML5, CSS3, Redux Toolkit, React Query, REST APIs

Styling: Tailwind CSS, GSAP (Animations), Shadcn UI, Chakra UI, Responsive Design

Backend: Node.js, Express.js, Java, Python

Database: MySQL, MongoDB

Cloud & DevOps: AWS S3, AWS CloudFront, Git, GitHub, Postman
Other: JWT Authentication, SEO Optimization, AI Tools, Agile/Scrum

EDUCATION

Full Stack Web Development Bootcamp Masai School, Bengaluru	<i>Dec 2023 – Oct 2024</i>
Bachelor of Commerce (Hons.) BBMK University, Dhanbad	<i>Graduated 2021</i>

CERTIFICATIONS

Full Stack Web Development — Masai School | Oct 2024

ACHIEVEMENTS & RECOGNITION

- Construct Week Winner at Masai School — led the team that built FundMitra, a full-stack crowdfunding platform, winning the cohort's project showcase.
- Masai Speaking Marathon Participant — selected to participate in public speaking and communication development program.

SOFT SKILLS & LANGUAGES

Soft Skills: Teamwork, Problem Solving, Time Management, Effective Communication
Languages: Hindi (Advanced), English (Intermediate)
